Headteacher Message

Your support in the early weeks of the new school year was very much appreciated – the children have settled in beautifully and are now all happily learning under one ‘watertight’ roof!

We hope that parents and carers also feel settled, especially those of you who are new to ‘school life’. However, if you ever have anything that you feel you need to discuss, please talk to your child’s teacher or contact me via the school office.

Next half term will start with Parent Consultations during the first week and culminate in lots of festive fun – please see the handy calendar below.

Before I go, I must quickly remind everyone that smoking and vaping is not permitted anywhere on the school grounds – thank you.

I hope this longer half term break facilitates any family adventures that you have planned and I’ll see you bright and early on Monday 3rd November.

Best wishes,

Helena Reid

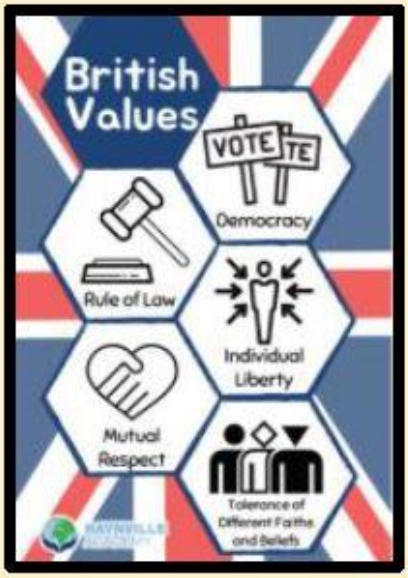
What is the Prevent Duty

The Prevent duty is a legal obligation for primary schools to safeguard children from being drawn into terrorism by challenging extremist ideologies and providing a safe environment for discussing sensitive topics.

How is this achieved;

This is achieved through various strategies, including;

- **Promoting British Values – these values are promoted in schools to foster good citizenship and understanding in a diverse society.**
- **Robust IT filtering - this protects children from being exposed to extremist content online.**
- **Staff training and working with local authorities and police to assess and address local risks.**



FOBBINS

We would like to pass on our heartfelt thanks to the FOBBINS volunteers who, with very little support in recent times, continued to fundraise tirelessly for us, right up until the end of last school year.

After 29 years of fundraising, FOBBINS recently presented us with a closing cheque for over £2000 – their efforts and the additional funds, were always very much appreciated.

Thank you!

Book Bags

Thank you for supporting us with providing your child's book bag every day, however, the number and size of keyrings and other embellishments is preventing them from being stored in classroom drawers. We would appreciate it if you could simply use the name label on the bag or add one small distinguishing item that your child can easily identify.

Antisocial Behaviour

Unfortunately we continue to receive complaints from pedestrians and local residents, about dangerous and antisocial parking/driving/behaviour around school.

The safety of our children both inside and outside school is paramount however, we are limited to what we can say or do about what happens beyond the school grounds.

However, we want to reassure those affected that we are doing all we can, to assist those who can make a difference.

Recently, you may have seen a representative from Sheffield City Council assessing the situation as we continue to work with them and the local police, on improving the situation.

If you experience any issues outside school please help us by reporting them to the following:

Illegal parking - Sheffield Parking Services on **2736255**

Obstructions or dangerous incidents - The Police on **101**

A Road Safety Reminder from Sheffield City Council

As we quickly advance into winter and it starts to get darker and the weather more unpredictable, here's a quick road safety message relating to our school crossing patrols and their crossing sites.

When children/parents arrive at the crossing point:

- The Patrol will tell them to wait on the pavement and use the Stop sign as a barrier to prevent them from edging forward, until they are called across.
- The Patrol will use the Stop sign to instruct traffic to stop. The Patrol may need to wait for a safe gap in the traffic. DO NOT FOLLOW THE PATROL INTO THE ROAD!
- When the traffic has stopped the Patrol will call you to cross over. PLEASE WAIT UNTIL IT IS SAFE TO CROSS.
- Always walk IN FRONT of the Patrol so he or she can see you.
- The Patrol will remain in the centre of the road until all the children and adults have completed crossing the road.

For drivers:

- When approaching a school you should reduce your speed and be prepared to stop, also be patient and considerate.
- School Crossing Patrols need to see and be seen! It can be difficult to see children on the pavement, especially if there are parked cars by the school.
- Children may run into the road without thinking about traffic.
- It is an offence under the Road Traffic Regulations Act 1984 if you do not stop when signalled to do so by a School Crossing Patrol. If you do not stop the possible penalties include:

  - A fine of up to £1,000
  - 3 Penalty Points
  - Disqualification

- School Crossing Patrols can stop traffic to cross any pedestrian, adult or child.
- Do not move forward and remain patient.
- Do not park close to where a Patrol is working and NEVER on the zigzag markings.
- Look out for signs or flashing amber lights which warn of a School Crossing Patrol ahead.
- Park with courtesy and consideration to others, observing all parking regulations in accordance with the Highway Code and in such a way that our children are able to enter and leave the school safely.

Thank you
