Headteacher Message

It has been a busy term and I am sure we are all ready for a well-deserved break.

In recent weeks, school has been a whir of ‘Singing & Sparkle’ as we prepared and hosted the Christmas Fair, Nativities, Seasonal Singing, Christmas Parties and so much more.

So for now, I wish you a restful Christmas break with family and friends and I will see you refreshed and raring to go, in the New Year.

Happy Christmas everyone!

Unfortunately, we are limited to what we can say or do about what happens beyond the school grounds. However, we want to reassure those affected that we are doing all we can, to assist those who can make a difference.
If you experience any issues outside school please help us by reporting them to the following:

Safeguarding Spot - What is safeguarding?

The term safeguarding refers to the obligations some organisations have to protect people's health, wellbeing and human rights, and to ensure a person does not suffer from harm, abuse or neglect.

The government defines safeguarding in the context of education as:

- protecting children from maltreatment
- preventing the impairment of children's mental and physical health or development
- ensuring that children grow up in circumstances consistent with the provision of safe and effective care
- taking action to enable all children to have the best outcomes
